The Milwaukee Radio Amateurs' Club, Inc.
The World's Oldest Continuously Active Radio Amateur Club

October 1979
NOW IN OUR 62ND SEASON

DUES ARE DUE - Last month you received a combination newsletter and bill showing what you owe - if you have not taken care of this obligation please do so at once.

LIFE MEMBER received a letter from President Glamm with last months' newsletter. To the many who responded our heart felt thanks. To those who have not yet responded, please make some reply. Are you too disinterested to even reply? Are we wasting publications and postage sending these to you? If you no longer care to receive our mailings why not let us know? Please do. Thanks.

MRAC FALL TOUR - still time to register for this one - if you call Florence Belanger at 461-8272 - registrations end at noon on Monday October 1. This tour will be a visit to the Oak Creek generating plant of Wisconsin Electric Power Company on Thursday October 4, 1979, at 7:30 PM - be prompt please. Tight security here - you must register with us to get into the plant. You may bring guests but they must also be on our list.

DIRECTIONS: To get to the Oak Creek plant - go to the intersection of Highway 32 and Ryan Road (HWY 100), then 2 miles south on 32 to Elm Road and then east to the plant. See you at the kilowatt factory!

MRAC REGULAR MEETING: 7:30 PM, Thursday, October 18, 1979, at Wauwatosa Savings and Loan Building at 7500 West State St. Hall is open at 7:00 PM for rag chewing and consultations. Visitors are always welcome.

NUCLEAR POWER PRODUCTION and safety will be the subject of the presentation by Mr. Mark Milinovich of Wisconsin Electric Power Company. This talk will be illustrated with slides and will include a questions and answers period.

DIGITAL VOICE PROTECTION is the subject of Mr. Dan Dane of Motorola and will include film and demonstrations of the voice protection equipment.

Time permitting, we will show, at proper speed, the slides of our recent Field Day, with commentary by Reid Whipple, and slides of our Mayfair Mall Ham Radio Show with Al Belanger doing the commentary.

REGULAR MEETING - Thursday, November 15, 1979 - 7:30 PM - Sherman C. Carr - W9NGT - Washington County Director of Emergency Government - will speak on Severe Weather Winter Storms, repeater linking, a future for RACES, and there will be film to see. Also cooperating in this presentation will be John Leekley - WB9SMM - Milwaukee County Emergency Coordinator.

THE AMERICAN RADIO RELAY LEAGUE will pass a milestone important to your Milwaukee Radio Amateurs Club on December 5, 1979, when the Milwaukee Club will have completed 60 years of affilliation with the League, the first club to attain such stature! At the July meeting of the Board of Directors of the League a motion was passed to award MRAC with a special plaque to commemorate the event. The plaque will be presented to our club by League officials at a dinner on the evening of December 5th, our 1979 Old Timers Nite. Advance reservations will be required for the 1979 Old Timers Nite Dinner and Party.
(See September 1979 QST, Page 65, Board item No. 62, re the plaque.)
